

Cadet Candidate,

I appreciate your interest in our Municipal Police Training Academy here at CCBC. Classes will start on August 15, 2022 at 5PM. We will have two testing dates, May 14, 2022 & June 11, 2022 (See Testing Letter) attached to this email.

Academy cost is \$6,950.00 for the academy, \$172.00 for uniforms, \$275.00 registration fees. just under \$7,400.00, which I believe is a bargain to start a new rewarding and exciting career in law enforcement. Most police departments average between \$60,000.00 & \$70,000.00 to start. In the last five years all cadets in the academy were hired before graduating.

Our academy runs Monday through Friday 5PM to 10PM for approximately 10 months and includes 919 hours of training with several separate testing blocks. You are expected to attend every class. Classes will begin August 15, 2022 and end June 21, 2023. You will have all holidays, breaks between semesters, and spring break off.

The Police Academy is located at 1 Campus Drive Monaca, PA 15061 Bldg. No. 3 Room 3006.

I would like to see you attend our academy. Our academy is rated as one of the best academies in the state. We work hard to instruct our cadets with everything you'll need to know to succeed in Law Enforcement. All of our instructors are either currently working in law enforcement or have just retired from law enforcement. We have attorneys from the District Attorney's office on staff, who teach criminal law, and court room procedure.

You will receive 35 credits toward an associate degree in criminal justice once you've completed act 120 training (Police Academy), which helps save money as you work toward your degree.

I wish you the best of luck and hope to see you in our program. If I can answer any other questions, or if you need any further information, please feel free to contact me by email at any time.

Sincerely,

William J. Petures
