

Dear Parent(s) / Guardian(s),

2023-2024 School Year

Soon your child will be entering a new, exciting phase of his/her education. Many changes are in store as your child enters middle school: new friends, new teachers, and new classes. The transition from elementary to middle school provides for a definite adjustment but one that is rich in learning experiences.

In order to foster maximum student achievement, we will initially be spending a significant amount of time on organizational and study skill strategies. To better support this endeavor, we are requesting that each new fifth grader come equipped with a binder. We have found that binders are an effective tool for organization; they also help students to carry materials from class to class. Please use the checklist below for needed supplies.

We greatly appreciate your cooperation in providing these valuable study tools.

Sincerely,
The Fifth Grade Teachers
