August 2023

Dear WASD Community,

It is a great pleasure to welcome you back to school. We are committed to daily instruction and support to provide a learning environment with attention to individual needs. I encourage you to remain involved and communicate your needs or questions to teachers as they arise. We will do all we can to help support you and your child.

You will be receiving transportation information directly from our Transportation Department. It will have specific times for your child(ren). If you do not receive a notice by August 21, please contact the Transportation office at (724) 656-8866 extension 6100. Please understand that transporting students is a challenging undertaking. The precision of the times will require some patience during the first week of school. Once a routine is in place, our drivers are very good at consistent timing both in the morning and afternoon. As always, our transportation staff will be accessible to parents with questions or concerns.

In the event of an announcement, we will continue to use our electronic messaging system to reach families. We will also use the district website www.wasd.school to post information related to all school events and activities. Information will be updated on the website in a timely and ongoing manner. Please check the website often for information you may need related to any aspect of the school district. We also regularly provide information on the District's Facebook page and through the call and messenger system. Please consider following us on this platform to receive information quickly and efficiently.

Everyone at Wilmington Area School District works hard to provide academic excellence. This does not occur without great intervention from the parents and families at home. Please work closely with the teachers to be involved in your child's continued academic success. Please do not hesitate to contact the school principal or your child's teacher with any questions or concerns that you may have throughout the year.

Best wishes for a great school year.

Sincerely,

Terence P. Meehan
Superintendent
