

# Wilmington Academy

---

Wilmington Academy serves students in grades K-12 and is powered by Edgenuity with a partnership through Seneca Valley School District. Wilmington Academy offers students asynchronous learning opportunities that accommodates a family's flexible schedule. In collaboration with parents/guardians, school counselors and administration, please discuss the best time to transition in or out of Wilmington Academy.

---

## Why Choose Our Online Learning Program?

Being a part of the Wilmington Academy online learning program provides your child with numerous advantages.

- Tuition-free program with courses that are supported by Wilmington Area School District teachers.
  - Students earn a diploma from the Wilmington Area School District and are able to participate in graduation with classmates.
  - Students may create a blended/hybrid schedule that includes both online courses and on-campus courses in the brick-and-mortar building, such as art or music.
  - Students have the opportunity to enroll in a Career and Technology Program through the Lawrence County Career & Technology Center.
  - Students may join district-sponsored extracurricular activities and sports teams and participate in field trips and school events, such as school dances, pep rallies, and awards.
  - Applications and expectation forms are available in the High School Office. Students enrolled in Wilmington Academy are required to adhere to all graduation and course requirements outlined in the program of studies.
